COBRA STILL HAS TRAILERS ON THE ROAD THAT ARE OVER 30 YEARS OLD!

Cobra End Dumps are a great choice for a variety of applications to make sure you can maximize your load capacity while delivering on time and in style.

A few benefits of owning a Cobra:

- One of the longest lasting trailers on the market
- Cobra trailers are lighter than most
- Excellent resale value

Our products come with many standard options like LED lights, air operated mesh tarp and aluminum wheels or with extra options such as a ladder, aluminum tank, and polished wheels to name a few.
