INTRODUCING CAPTAIN XL

THE WIDEST (23") MOST FINANCIALLY FRIENDLY FAUX LEATHER DRIVER'S CHAIR ON THE MARKET

CVG is excited to announce the launch of the National Captain XL, the newest addition to our seating lineup. Designed with an extra-wide base cushion, the Captain XL delivers superior comfort, long-lasting durability, and modern style—making it the ideal upgrade for any truck.

Built for long-haul performance, the Captain XL is available in:

- Versa Leather – a premium synthetic leather offering enhanced durability

Equipped with the HiPro air suspension, the Captain XL provides a smoother ride and reduces driver fatigue. For maximum comfort and versatility, it also includes:

- Air lumbar support
- Cushion tilt adjustment
- Standard adjustable armrests

With its premium materials, customizable fit, and sleek design, the National Captain XL delivers unmatched comfort and performance—all at a highly competitive price.
