

## 3/4/5 DIESEL PROTECTION

**3 Year Limited Warranty**

**4 Year/200,000 Kilometer  
Complimentary Oil Changes  
& Health Reports**

**5 Year/280,000 Kilometer  
Diesel Engine Extended  
Warranty Plus**

### ISUZU INCREASES YOUR PROTECTION

Diesel Protection significantly lowers cost of ownership by providing complimentary oil changes along with Health Reports featuring fuel economy, acceleration and braking history, and advanced diagnostic information.

Only new N-Series models are eligible for 3/4/5 Diesel Protection. Must take delivery by 12/31/20. Oil change intervals every 300 hours/16,000 kilometers. Warranty coverage based on time and mileage, whichever comes first. Vehicles shown with optional equipment; some equipment is dealer installed. N-Series vehicles are assembled from component parts manufactured by Isuzu Motors Limited and by independent suppliers who manufacture such components to Isuzu's exacting standards for quality, performance and safety. Please see your authorized Isuzu dealer for warranty and other details.

### ROADSIDE ASSISTANCE

Isuzu N-Series diesel trucks are built to be the highest quality, most reliable trucks in the industry. That's why we back them with one of the strongest roadside assistance programs ever offered for Medium Duty Trucks.

With ANY Isuzu vehicle warranty, if your Isuzu N-Series Diesel truck experiences a mechanical breakdown anywhere in Canada or the United States, just call our 24-hour, toll-free number 866-441-9659 anytime day or night, 365 days a year. A service vehicle will be dispatched to provide minor roadside repairs or tow your truck to the nearest Isuzu dealer for service.
